CASE STUDY

Hawthorne Furniture at Highlands GT Lounge

PROJECT OVERVIEW

Set in the striking landscape of Central Otago, the GT Lounge at Highlands Motorsport Park is a refined, welcoming retreat for members and guests.

Interior designer Kylie Hodkinson of Tone Interiors brought warmth and sophistication to the space using a curated selection of Hawthorne furniture:

- Modena Sofas in 3, 2, and 1-seaters added versatile seating and moody contrast
- Grace Armchairs paired seamlessly with lighter cabinetry and gold accents
- Chandri Poufs introduced casual, earthy texture
- Baggage Trolley Coffee Table grounded the lounge with functional charm

The result is a space that's elegant yet relaxed – proof that commercial and hospitality interiors can be both beautiful and inviting.
